We specialize in Supercar Tours, Experiences and Corporate Events providing our clients with the opportunity to drive a luxury supercar on the best roads in Spain.

Our Supercar Events are professionally designed, managed and executed by our experienced team of event coordinators, operational assistants and driving instructors, who are all passionate and knowledgeable about supercars and event management. Our fleet includes the latest and most exclusive cars in Spain.

We have designed four different event categories with the purpose of providing you and your clients with the best supercar experience in Spain. All of our programs for groups have been conceived and tested to ensure their high quality and that an exceptional driving experience is always provided.

Barcelona Supercar Tours - Drive and discover the city in a unique way

Road Routes - Premium driving experiences

Track & Adrenaline - Drive on the best tracks of Spain

More Than Driving - Combine driving with another unique experience

**All of our supercar driving experiences are customizable and can take place from any location in Spain and Europe.*
